

Great Apps for Families

Superbook Kids Bible App: This app contains games, Bible trivia, videos, and cool sections for your children to mark their favorites. The graphics are EXCELLENT and it's FREE! Available on iTunes AND Android! How awesome is that?! Superbook also has a wonderful online free game center for kids.

The Beginner's Bible App is designed for children ages 2-6 and the first "story pack" is FREE (a great way to try out the app and enjoy the features, determining if it works well for your children.) This awesome app includes coloring pages, puzzles, and games. Each story pack contains 6 stories. The in-app purchases of \$1.99 can be made for additional story packs. Available for iPad only.

Olive Tree Bible App: Studying the Bible shouldn't be hard. Bible by Olive Tree equips you with easy-to-use Bible study tools and resources. It includes daily reading plans, devos, study bibles, and more! Available on Android, iPad, iPhone, Kindle Fire, Mac, and Windows

Bible App for Kids: Through interactive adventures and animations, kids explore the big stories of the Bible. The app is designed to encourage kids to return again and again. AND it's free! Available for iPhone, iPad, and iPod.

Parent Cue: The Parent Cue App is designed to help every parent do something each week to help move their child toward a deeper faith and a better future. Also, there is a real-life and easy to read blog. Available through iTunes and Android.

d365 Daily Devotionals: The App is the free mobile version of the online daily devotional experience read by millions of people. With this app you can: Read daily devotionals, Listen to original d365 music, Set an alarm to remind you of your devotional each day, and Read past devotionals.
